APPENDIX I EXPLANATORY STATEMENT ON THE BUYBACK MANDATE

This Appendix serves an explanatory statement as required by the Listing Rules, to provide requisite information to you for your consideration of the Buyback Mandate.

1. SHARE CAPITAL

As at the Latest Practicable Date, the issued share capital of the Company comprised 408,816,000 Shares.

Subject to the passing of the ordinary resolution set out in the notice of the Annual General Meeting and on the basis that no Shares are issued or repurchased by the Company prior to the Annual General Meeting, the Company would be allowed under the Buyback Mandate to repurchase a maximum of 40,881,600 Shares during the period in which the Buyback Mandate remains in force.

2. REASONS FOR SHARE BUYBACK

Although the Directors have no present intention of repurchasing any share, they believe that the proposed granting of the Buyback Mandate is in the best interests of the Company and the Shareholders.

Repurchases may, depending on market conditions and funding arrangements at the time, result in an enhancement of the net assets and/or earnings per Share. The Directors are seeking the granting of the Buyback Mandate to give the Company the flexibility to do so if and when appropriate. The number of Shares to be repurchased on any occasion and the price and other terms upon which the same are repurchased will be decided by the Directors at the relevant time, having regard to the circumstances then pertaining.

3. FUNDING OF REPURCHASES

In repurchasing Shares, the Company may only apply funds legally available for such purpose in accordance with its memorandum of association and Bye-laws, the laws of Bermuda and other applicable laws.

The Company is empowered by its memorandum of association and Bye-laws to repurchase its Shares. The laws of Bermuda provide that the amount of capital paid in connection with a share repurchase may only be paid out of the capital paid up on the relevant shares, or out of the funds of the Company which would otherwise be available for dividend or distribution or out of the proceeds of a fresh issue of Shares made for such purpose. The amount of premium payable on repurchase may only be paid out of funds of the Company which would otherwise be available for dividend or distribution or out of the share premium account of the Company before the Shares are repurchased.

APPENDIX I EXPLANATORY STATEMENT ON THE BUYBACK MANDATE

There might be material adverse impact on the working capital and/or the gearing position of the Company (as compared with the position disclosed in the audited accounts contained in the annual report of the Company for the year ended 31 March 2009) in the event that the Buyback Mandate was to be carried out in full at any time during the proposed repurchase period. However, the Directors do not propose to exercise the Buyback Mandate to such an extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing level which in the opinion of the Directors are from time to time appropriate for the Company.

4. GENERAL

None of the Directors or, to the best of their knowledge having made all reasonable enquiries, any of their respective associates, have any present intention to sell any Shares to the Company in the event that the granting of the Buyback Mandate is approved by the Shareholders.

The Directors have undertaken to the Stock Exchange to exercise the Buyback Mandate in accordance with the Listing Rules and the applicable laws of Bermuda.

No connected persons has notified the Company that he has a present intention to sell Shares to the Company, or has undertaken not to do so in the event that the granting of the Buyback Mandate is approved by the Shareholders.

If, on the exercise of the power to repurchase Shares pursuant to the Buyback Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of the Takeovers Code. As a result, a Shareholder, or a group of Shareholders acting in concert, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code for all Shares not already owned by such Shareholder or group of Shareholders.

As at the Latest Practicable Date, Resplendent Global Limited beneficially held 271,246,000 Shares representing approximately 66.35% of the Shares issued by the Company. Padora Global Inc. is the beneficial owner of all the issued capital of Resplendent Global Limited. Padora Global Inc. is wholly owned by Polo Asset Holdings Limited, which is ultimately owned by the trustees of a discretionary trust established by Mr. Cheng Chor Kit, an executive Director, for his family. In the event that the Directors exercise in full the power to repurchase Shares of the Company in accordance with the terms of the ordinary resolution to be proposed at the Annual General Meeting, and on the basis that no further Shares are issued, the shareholdings of Resplendent Global Limited in the Shares of the Company would be increased to approximately 73.72% of the issued Shares of the Company. Such increase will not give rise to an obligation to make a mandatory offer under Rule 26 of the Takeovers Code or reduce the number of Shares in public hands falling below 25%, the minimum float public requirement pursuant to Rule 8.08 of the Listing Rules.

APPENDIX I EXPLANATORY STATEMENT ON THE BUYBACK MANDATE
