This announcement is made by Kin Yat Holdings Limited (the “Company”, together with its subsidiaries shall be referred to as the “Group”) pursuant to Rule 13.09(1) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “Listing Rules”).

The board of directors (the “Board”) of the Company wishes to inform shareholders of the Company and potential investors that, based on the information currently available, the Group is expected to record a loss for the year ended 31 March 2012 (“FY2012”) as compared with a profit for the year ended 31 March 2011, which is primarily due to decline in gross profit margin of the Group as a whole. Such decline was mainly attributable to a decrease in the contribution from the Group’s manufacturing businesses amidst a decrease in the revenue and the increase in operating costs as a result of the appreciation of Renminbi, the rising raw material prices and the increase in statutory minimum wages in the People’s Republic of China during the year, while the continued investment in strategic growth initiatives with respect to our materials development business and natural resources development business, which were in investment mode, has resulted in higher operating expenses incurred for the Group.

The Company is still in the process of finalizing its annual results for FY2012. The information contained in this announcement is only based on the preliminary assessment with reference to the information currently available which has not been audited or reviewed by the auditors of the Company. Detailed financial information and performance of the Group will be disclosed in its final results announcement for FY2012 which is expected to be published by the end of June 2012.
